Little Bhutan

Big Experience...

Please feel free to share any comments or suggestions that you may have:

There are so many travel agents in Bhutan, but my friend had booked our trip with Little Bhutan, mainly cause she likes the name... impractical but I must say we were lucky... lucky that the bookings went well. We were also lucky to be assigned with Karma, a knowledgeable guide who is also proficient in english, I must say! We also had a very safe, careful and helpful driver, Karma, who not only drove us around Paro, Thimphu, and Punatsha, he also accompanied us on almost ~~of~~ all our visits and likes (which normally a driver won't as we understood from the guide!)

The Tiger Nest Monastery was an experience for an unfit person like me, but with the help of ~~the guide~~ Karma and Kumer, I made it without rolling down the hill :o).

And not only did we get to see the tourist sights, we also had a taste of Bhutanist night life... as a typical Bhutanist one too!!!
