Please feel free to share any comments or suggestions that you may have:

Please avoid direct trips from Paro to Bantang; the drive is far too long and serves no real purpose. We recommend an overnight half way between Paro and Bantang.

The Amenbar Hotel in Bantang is a very good hotel, however the value for money is poor. In simple words - it does not worth the money charged; therefore we would recommend that you suggest to your future clients to think twice before choosing this hotel.

Congratulations to Tenzin, Karma and CHIMT !!!
